MRS. STEVIE VANDEVELDE, PRINCIPAL

Dear Shamrock Supporter:

It is hard to believe that we have finished the 2020-21 school year and have plans underway for the 2021-22 school year! And while last school year was a year like no other, due to the pandemic, Our Saviour School focused on our theme to be “Anchored in Christ”. I applaud our faculty and staff for working so diligently in keeping our students safe, engaged in academics, while active and healthy. And while the 2020-21 school year was difficult for our Shamrocks, they showed fortitude and perseverance each school day. Our Shamrock community was there, as always, for support and encouragement, including our appreciated Magic Match sponsors.

You may know MAGIC is an acronym for “Making a Generous Incentive Commitment”. Businesses, alumni, parents, grandparents, parishioners, and friends of Our Saviour School make a statement of support by choosing to partner up with a classroom or department with a \$500 or \$250 contribution that enriches the lives of Our Saviour School students by providing enrichment activities and materials.

You can become a vital and cherished part of Our Saviour School by providing so many extras that otherwise would be unattainable. Expanded classroom libraries, science kits, history units, art and music supplies, as well as equipment for various classroom projects are just a few of the expenditures you help support for the students. These funds give the teacher discretion in buying supplies to enhance their curriculum and classroom. These funds directly impact our Shamrock students!

We appreciate your ongoing support of Our Saviour School and hope this will be an exciting partnership opportunity for next school year. You can look forward to hearing how the “MAGIC” continues at Our Saviour School.

With Shamrock Blessings,

Mrs. Stevie VanDeVelde
Principal

What is M.A.G.I.C. Match?

The **M**aking **A** **G**enerous **I**ncentive **C**ommitment (M.A.G.I.C.) Match program is community businesses and families participating in an effort to strengthen the bond between the school and the M.A.G.I.C. Match sponsor. This program provides an opportunity for a business or family to adopt and support a classroom or organization at Our Saviour School. Your support may provide extended curriculum support, technologies (such as a tablet), literacy books, geography or scholastic owl materials, classroom project materials and tools, hands-on projects, or a variety of opportunities an Our Saviour School staff member finds appropriate to support and enhance education for our future business owners and leaders in our community.

Who benefits from M.A.G.I.C. Match?

You, the community, and Our Saviour School students and teachers all benefit from this program. You will receive increased name recognition and enhanced visibility to a large appreciative audience through signs posted by the classroom you have chosen to sponsor, in newsletters home to parents, recognition on our school website, Facebook and Instagram, on our scrolling TV located in our main lobby, and inserts in our church bulletin. You will also receive communication with your sponsored class or organization so you can see the difference your support has made to our students. Our teachers and students benefit from additional funds towards classroom supplies throughout the year.

Which group may I choose to sponsor?

Any classroom (Pre-3 through 8th grade) are available to sponsor. You may also provide support for an organization such as music, physical education, band, and computers.

How do I become a M.A.G.I.C. Match sponsor?

Please complete the attached form and mail it and your donation to: Our Saviour School, Attention: Stevie VanDeVelde, 455 East State Street, Jacksonville, IL 62650. Any questions, please contact the school at 217-243-8621.

Thank you.
